

USAir Pension Plan Termination Timeline

Date	Event	Months Elapsed
March 31, 2003	USAir Pension Plan Terminated and taken over by the PBGC, initially paying 85% of PC3.	0
April 1, 2004	PBGC increases PC3 estimated payments to 98% of pre termination pension	13
April 25, 2006	First Final Determination letters for older retirees who lost nothing from termination	37
May 31, 2006	Final Determination letters to those affected by 3 year lookback	38
September 1, 2006	More Final Determination letters to those in other categories. Back Pay began shortly after this.	42
October 1, 2006	PC4 Final Determination letters began to arrive	43
May 1, 2008	QDRO Final Determination letters began to arrive	62
September 1, 2008	Recoupment letters went out to those retirees the PBGC overpaid since termination	66
December 1, 2008	Lawsuit filed against PBGC with 1648 Plaintiffs.	69

Note 1: The Delta plan terminated on 12-31-2006, or 26 months ago.

Note 2: FD letters can be appealed to the PBGC within 45 days. The USAir Soaring Eagles (DP3's counterpart) obtained extensions so that all FD letters could be appealed at one time in a single lawsuit.

Note 3: USAir pilots filed 769 appeals; 98 were changed, 30 deferred, and the rest denied, which enabled the lawsuit.
