

## **MEC Chairman Code-A-Phone**

#####

This is Captain Lee Moak, Delta MEC Chairman, on Friday, April 14<sup>th</sup> at 8:00 a.m. with a m

Early this morning, our Negotiating Committee reached a Tentative Agreement with Delta n  
made available in the coming days.

The Delta MEC will meet in special session next week to receive a thorough briefing on the  
received the briefing from our Negotiating Committee and have had adequate time to debate  
decision whether or not to ratify the Tentative Agreement at the MEC level. If the TA receiv  
it be passed to the Delta pilots for membership ratification. The timing of this proven proces  
provide you with a thorough and informed understanding of this Tentative Agreement prior t

We will not hurry. During the MEC meeting next week, and during any subsequent member  
an unrushed, methodical manner.

Thank you for your support.

message to the Delta pilots.

management. Details of this agreement will be

Tentative Agreement. Once they have the agreement, they will then make the necessary MEC ratification, then and only then will we allow your elected representatives to proceed to you casting a vote.

ship ratification process, we will proceed in
